

THANK YOU FOR YOUR MEMBERSHIP AND SUPPORT!

Dear Library Supporter,

This July marks the start of our annual membership drive, a moment to reflect on what we've built together and to look toward an even brighter future for the Worcester County Library.

Last year, your generosity impacted some of our community achievements. Because of members like you, the Foundation was able to award three scholarships to local students pursuing their educational dreams.

The Foundation also supported the Summer Reading Program, helping to make literacy a summer highlight for our youth. We were able to purchase T-shirts inspired by this year's theme, *Unearth a Story*, to use as prizes for kids and teens.

We are looking forward to opening the doors of the new Pocomoke Library this year! Thanks to support from the Philip Zaffere Foundation, the Klein Leister Foundation, and several generous community donors, the Foundation was able to ensure the addition of a children's porch. We are continuing to fundraise to help with collection and technology needs. The Foundation has taken on the important task of turning this building into a home for our community. We are designing a space that encourages play, encourages literacy, and gives the community a place to grow together.

We are also excited to share that the Snow Hill branch is receiving some much needed interior improvements, including new plumbing, lighting, and some space reallocation.

By renewing today, you aren't just giving a gift, you are expanding library programs for all ages, investing in resources and technologies, and strengthening the social fabric of Worcester County.

Please take a moment to renew your tax-deductible annual membership. You can return the enclosed form in the self-addressed envelope.

Thank you for supporting literacy and being a partner in our progress. We could not do this without you.

Sincerely,

WCLF Board of Directors
